**PETITION FOR LEAVE
TO INTERVENE OF NRG ENERGY, INC.**

Pursuant to Rule 21 of the Delaware Public Service Commission's ("Commission") Rules of Practice and Procedure and Commission Order No. 7122 in the above-captioned matter, NRG Energy, Inc. ("Petitioner" or "NRG") hereby petitions the Commission for leave to intervene as a Party in this docket. In support thereof, Petitioner states as follows:

1. Pursuant to Rule 21 of the Commission's Rules of Practice and Procedure, a petition to intervene must set forth the following:

- (i) the name, identity, mail and e-mail addresses, telephone and fax numbers of the person seeking to intervene;
- (ii) a description of the petitioner's interest in the outcome of the proceeding;
- (iii) a concise statement of why the petitioner's interest will not be adequately represented by the parties to the proceeding or why participation in the proceeding would be in the public interest; and
- (iv) a description of the relief requested.

2. Petitioner, NRG's, mail and email addresses, and telephone and fax numbers are as follows:

NRG Energy, Inc.
211 Carnegie Center
Princeton, NJ 08540
Telephone: (609) 524-4645
Facsimile: (609) 524-4941
Email: Caroline.Angoorly@nrgenergy.com

3. Petitioner's interest in the outcome of the proceeding is direct and significant. Petitioner is one of the largest energy producers located in Delaware and has submitted a response to the request for proposal in Docket 06-241, and as such is uniquely positioned to comment on whether the IRP has systematically evaluated all available supply options (including procurement, generation, transmission, conservation, and load management) over a ten-year planning period, and whether the IRP appropriately forecasts the mix of resources that will be utilized to meet the needs of Delmarva Power & Light's Standard Offer Service ("SOS") customers, at minimal cost and without sacrificing adequate reliability. Accordingly, Petitioner will be directly affected by the Commission's determinations in this proceeding.

4. None of the other parties who have intervened or who are likely to intervene in these proceedings have interests that are identical to the unique interests of Petitioner. Petitioner's interest will not be adequately represented by any other party to this proceeding and the interests of Petitioner may be prejudiced and the record may not be fully developed if it is not permitted to intervene. Petitioner's participation in the docket will not unduly delay or prejudice the rights of other parties.

5. Petitioner intends to provide direct testimony on the Delmarva IRP, Interim IRP Report and Revised IRP.

6. Petitioner respectfully requests that it be granted leave to intervene in this proceeding as a party for all purposes. Although no formal evidentiary hearing has been noticed,

Petitioner also reserves its right to fully participate in any Commission hearing under this Docket.
